

## **Volunteer in YOUR Community this summer!**

Now in our 11<sup>th</sup> year – providing a FUN day entrepreneurial day camp with a free healthy lunch!

**Dates: June 14 – July 28, 2017**

Morning camp: 9:30-11:30 am // Afternoon camps: 12:15-3:15 pm

### ***Opportunities to Volunteer with Children***

**Lunchtime Opportunity** - Serve children a healthy lunch and visit with them 1 full week or 1 set day per week over the summer, 1½ hours per day.

**Small Group Opportunity** - Form a group (3-10 people) of adults or youth plus chaperones to experience the joy of serving children facing suburban poverty in our community. Learn how to build cross-national/socioeconomic relationships. Serve lunch and help run fun recreational activities.

**Adult Camp Volunteer** – Spend 2-3 hours with the children in camp activities and over lunch. Commit to a full week(s) or a fixed day weekly to allow relationships to be formed with the children and a volunteer/staff team. Fun and rewarding experience with lasting impact for you *and* the children.

**Entrepreneurial Opportunity-** Three camp sites this summer feature a child led, entrepreneurial restaurant. Support the children with running their business at camp. Examples could include supporting operations, overseeing food preparation, planning “shopping” trips for required items, etc. Operational hours would be 1-2 days per week, 3 hours during the day, up to 5 weeks in June and July.

**Family Opportunity** - Adults may bring their children with them to interact with the other children and build community. Children are the responsibility of the parent while on site.

**Special Guest Opportunity** – For one day, share your profession or hobby (ex: sewing, playing an instrument or a dental hygienist) with the children. 2.5 hour commitment sharing at 3 sites in Hilliard.

### ***Opportunities with Adults and Behind the Scenes***

**Office Support:** Help as we prepare/direct the summer program; 2 hr. shifts at our Central Office off Henderson Road.

**Translation/Interpreting Services** – as needed in May and June – particularly in Spanish, Somali or Arabic.

**Community Garden Assistant** – Help grow & deliver fresh produce to families attending our program.

***Support this Program Financially*** – help us feed more children this summer

**Host a Garage Sale/Lemonade Stand/Bake Sale/Car Wash**– donate proceeds to this community program.
